Center Spotlight:

Keeping up with Curtis

This center can accommodate 10 additional admissions. Summer is coming to an end but Curtis is just getting started with the fun! During August we splashed around at Ingles Springs, picnicked at Pewaukee Lake and explored the Art Museum. See pg. 2 to see what else we've been up to!

What's up Wisconsin

Wisconsin Center can accommodate 7 additional admissions. We're excited for fall but we will miss summer, see what we did in August on pg. 2!

Riverview's News

Riverview can accommodate 10 additional admissions. Our walking club is doing great! This month 4 people hit 10 miles walked and received gift cards! See pg. 2 for more!

Grant Gossip

We are still pending approval from the county to open this site. Outside rentals postponed until September 30, 2020. We're working on getting a temporary building for this center. See the message to the left & pg. 2 for more!

Welcome Message

From Nicci Nageotte, Program Director

Greetings everyone! We hope this month's newsletter finds you well and ready for the change of seasons. As we look ahead to cooler days and falling leaves, we are excited about the many and new activities this weather affords us to get outdoors. A few trips scheduled are: Jo Don Farm, both Milwaukee County and Racine Zoo, Holy Hill, Fox River fishing, a pontoon ride and a final trip to the Blue Lotus Retreat where we will enjoy kayaking, hiking, fishing and a campfire with s'mores on 64 beautiful acres in West Bend.

We have more people returning to the program each week as we also welcome new faces. We miss everyone who is at home and hope you've remained healthy and are keeping yourself occupied with interesting activities.

We have news to share! We've found a temporary location where we would like to reopen Grant Center. Located in S. Milwaukee still, we would operate out of there until the County reopens the Will-O-Way Facility. If it works out, we will contact guardians and group homes to see if anyone is ready to return, at a limited capacity of 20.

Have a safe and happy September!

Your friend,
Nicci Nageotte

Also in August, we also enjoyed learning how to Hula, building giant dreamcatchers, and cooking tasty treats. As we continue to practice strong safety measures, we continue to go into the community and we are keeping active while indoors. Thankfully we have seen a rise in attendance but as we are operating at a limited capacity right now, those interested in enrolling should do so fast! Spots fill quickly and Curtis has great things in store for next month, don't miss out!

Wisconsin Center would like to extend a big "Hello" to all the participants at home debating about coming back. We miss you! We hope you're doing well and hope to see you soon! Some of our activities this past month included bowling, fishing, golfing, and shopping at Johnson Creek and Mega Media Exchange. We're excited to welcome our new participants and are happy to report there's no cases of sickness reported at our facility. Again, thank you for your continued trust and we cannot wait to see everyone again soon.

August was a hot month, but we made sure to make the best of it. We spent our summer days fishing, eating ice cream, visiting parks, bowling, and so much more! When onsite, we played games, made some awesome crafts, and had an obstacle course *everyone* participated in. We are looking forward to seeing some old faces return and welcoming new faces to our group! We have no doubt September will be AMAZING! Here comes Fall! "Ah, September! You are the doorway to the season that awakens my soul!"

Hey Grant Family! We hope everyone is doing well. We wish we could be under our canopy of trees, nestled in Grant Park, enjoying the last of our summer days together lakeside with each of you! Unfortunately the county has yet to approve the reopening of this facility, but we are looking into alternative options to get operations for Grant up and running in the hopeful near future. Fingers crossed! We look forward to seeing you all in the future. We miss you, take care, and be safe!
