Center Spotlight:

Keeping up with Curtis

Fall is upon us now, but we spent September enjoying the last days of summer. Continuing reading pg. 2 to see all the things we did.

What's up Wisconsin

Wisconsin Center is happy fall is here so we can enjoy the cooler air and have fun outdoors!

Riverview's News

It's October and things are getting SPOOKY here at Riverview. Get ready for a month full of hair raising fun. We've got some exciting things brewing for this month.

Grant Gossip

Hello! We have opened our temporary South Milwaukee location! We are looking forward to decorating it for the season with pumpkin centerpieces, Halloween chains, candy corn garland, and other themed crafts.

Welcome Message

Hello everyone! These last few months have been an exciting and positive experience at ADSSW. Highlighted by great end of summer fun and the welcome start of fall and cooler weather. Like the seasons our organization has had some recent changes. We are happy to announce that we have opened the Grant Center at a temporary location in South Milwaukee. We are at reduced capacity and following all recommended guidelines for safety.

As you know, there has been a recent spike in Covid-19 cases in our area. ADSSW has taken steps to better protect our participants and staff by making efforts to have primarily outdoor outings where we are able to stay to ourselves. Please help us minimize the risk of spreading the virus by staying home when you are not feeling well. We will all continue to follow our safety guidelines while in program, so we stay safe.

Finally, I would like to encourage everyone to get ready for changing weather conditions. Winter is coming! Please make sure you have your winter coats, gloves, hats, and boots so it is a warm and safe winter. If anyone is having trouble obtaining cold weather gear, please reach out to your Program Manager and we will assist in you in any way we can. I hope that everyone gets out and enjoys the beautiful fall colors and weather!

Best Regards,
Aaron Tesch
Assistant Program Director

Throughout September Curtis explored the aquarium at Discovery World, cruised the lake in a boat and learned about animals around the world at Racine Zoo. While indoors, we baked pizza, designed an apple tree, and battled it out with a lot of great games during our Color Wars week. With a new season comes new activities. Curtis is planning a trip to the pumpkin farm, Stepping Stones Farm, where we get a chance to meet horses and a Fall Festival. All our old and new friends are doing well. Everyone is having fun but staying safe. There are only a small number of spots left here at Curtis. We miss you; hope you join us soon because October will be a treat!

Wisconsin Center is happy fall is here so we can enjoy the cooler air and have fun outdoors! We are looking forward to some friendly competition this month as we head to the park to play some baseball and football. Our indoor competition will include a trip to the bowling alley and of course, a friendly game (or 2) of HORSE in our gym. Our building is decorated for Halloween with some interesting and creepy pictures and we will be planning a party as the month goes along. Hope you are all well and that we see you again soon!

We officially said goodbye to summer and hello to Fall. We made the best of our last few warm sunny days outside with our friends at the park, on walks, eating ice cream, and fishing. On those colder days we stayed warm inside cooking, doing crafts, and enjoying the sensory room. Now we are welcoming the crisp air as we head into October. This month we are excited to go to the pumpkin patch, bowling, and the domes to name just a few. While onsite we will be getting festive with our fall and Halloween crafts, cooking and baking, along with so much more. October will be a month you wont want to miss, we hope to see you soon.

We are so excited to see everyone and understand the great responsibility to keep everyone as safe as we can. For this reason, we will not be going on outings. We will take some rides in the van to get out, however, outings in public settings with be postponed until further notice. We will have a pizza/bowling party, and know we will be having fun in house with our favorites, karaoke and BINGO. We will practice safety by daily going over how to wash our hands, wear a face mask, and keep social distancing the best we can. Please call or email Shelly with any questions, concerns, or suggestions at s.reynolds@adulthoodsewi.com
