Center Spotlight:

Keeping up with Curtis

Spring was beautiful and exciting. We were able to make some changes to our building for a fresh new look and create a ton of great memories.

What's up Wisconsin

Wisconsin center would like to say happy summer to all the Participants and their loved ones.

Riverview's News

Spring was a blast. We enjoyed watching everything come back to life and being able to get outside. We have a lot of great things planned for the summer.

Grant Gossip

Whew! It has been a great summer so far! We have been able to offer two outings daily and our in house activities with small groups. Our family continues to grow and we are happy for our new friends. The construction to the main drive continues but is moving along. Sounds like asphalt may go in any day! It will be a blessing when it is finished.

Welcome Message

Participants, Family and Caregivers, Hope everyone is doing well and staying safe this summer. I just have to say how exciting it is to meet all of the new faces and welcoming back old friends over the last 3 months. With the warmer weather and lifting of Covid restrictions our community experiences continue to improve. Lastly, I would like to give a big THANK YOU! to everyone who has hung in there with us and continues to provide support and encouragement to ADSSW. I couldn't imagine where we would be today without the support and positive energy that you bring to our programs.

Sincerely
Aaron Tesch

-LaNeshia Drake, Manager

Now Summer fun has begun and Curtis is better than ever. It's been an eventful time and we were glad to celebrate an entire year of being re-opened. With that came an opportunity to safely gather with old friends and watch an amazing magic show together. Also, we were delighted to learn about planting a garden, spending time at the lake and having lunch at the park. We have lots of fun activities and community events to enjoy as we prepare to slide into summer. We are looking forward to visiting a waterpark, a chili cook-off and celebrating Shark Week! While enjoying a wonderful summer let us remember to continue to keep ourselves safe.

With restrictions being slowly lifted we are integrating back into the community daily. We have enjoyed the zoo, the mall, the park, and shopping just to name a few outings. Inhouse, we have played charades, cooking class and board games along with movies. Our focus is having fun this summer and we will work very hard to provide that for our participants.

Summer is here and we are beyond excited. We have been spending as much time as possible outside soaking up the sun while we can. This spring we planted our garden and it has been so fun to watch it grow. We are looking forward to harvesting our crops and using them in our cooking classes. This summer we will be visiting the zoo, the water park, finding new trails to walk and listening to music in the park. Stay tuned.

Grant Park: Wil-o-way

Over the past months we have taken advantage of the beautiful weather and went on picnics at the beach, the Retzer Nature Center, a Planetarium, the Zoo, nature walks and so much more! In house we have been playing games, doing crafts, watching movies, and our favorite in house Luncheon. Over the next couple of months we will continue to talk to participants daily to enhance the program for each of them with their input, continue to enjoy all the summer things Milwaukee and surrounding areas have to offer! We will be going to Kenosha on Thursdays for the PB and Jam concerts, we will also be going to the Racine Co Fair!

**Please take note our physical address is 207 Lake Drive South Milwaukee, WI 53172
but our Mailing address is PO BOX 26 South Milwaukee, WI 53172
Our new phone number is 414-215-7255 and our fax is 414-246-4354.**
